

LES JEUNES DU MONDE UNIS

VALUES OF THE WORLD

2018

MADRID - SPAIN

Auditorium of "Confederación Española de Organizaciones Empresariales"

November 11th, 12th and 13th 2018

www.lesjeunesdumondeunis.com

The objective of the Association is to promote mutual knowledge, coexistence and bonds among young people from different social sectors within the five continents without distinction of race, religion or social origin.

LES JEUNES DU MONDE UNIS FOR EDUCATION, INTEGRATION, SOLIDARITY, TEAMWORK...

The call for application is aimed at young business, social, institutional and organizational leaders, with particularly proactive and professional profiles, who are aware of the importance of their specific contributions for the development of their regions and want, in accordance, to take part serious and consciously in the international debate.

Les Jeunes Du Monde Unis promotes, through close cooperation with governments and international agencies, the creation of neutral spaces for dialogue between youth sectorial leaders and the main political, entrepreneurial, digital, technological, environmentalist, cultural and social players.

LES JEUNES
DU MONDE UNIS

PROGRAM *November 11th*

International leaders will guide our young participants through topics as education, cooperation, security, economy, sustainable development, globalization, technological and digital development, youth challenges, climate change, private sector and responsible leadership.

Working panels, networking spaces, and several activities will be also carried out during the Les Jeunes Du Monde Unis 2018, so that participants can interact among them and with the guest speakers, creating new growth and development opportunities in their places of origin.

The program is divided in 3 days:

- November 11th: Reception and Dinner (Hotel – Madrid)
- November 12th: Working Panels, networking meetings
- November 13th: Working Panels, networking meetings and leisure (Golf)

Afternoon

«Ignorance and prejudice are the handmaidens of propaganda. Our mission, therefore, is to confront ignorance with knowledge, bigotry with tolerance, and isolation with the outstretched hand of generosity. Racism can, will, and must be defeated.»
Kofi Annan

Mr. Kofi Annan had confirmed his attendance at this event. Unfortunately, he will not be able to be with us anymore.

During the event, we will make a small tribute to his person. Rest in peace.

Kofi Annan (1938-2018)
